Roles and responsibilities

The following documents include details of the roles and responsibilities of those involved in standards development, as well as how to play an active role in the process.

- [My ISO Job](#)
- [Getting Started toolkits](#)

Directives and Policies

The **ISO/IEC Directives** define the basic procedures to be followed in the development of International Standards and other publications.

Other policies (such as the [Patent Policy](#) or the [Policy on Global Relevance](#)) contain guiding principles for standards development

For questions on the ISO/IEC Directives please contact directives@iso.org.

Developing standards

This section provides an overview of the standards development process with links to the tools, documents and resources for each stage.

IT Tools for Standards Development

This section contains details on all IT Tools that help support the standards development process.

For questions about IT tools, contact helpdesk@iso.org

Forms, Model Agendas and Standard Letters

This section contains the forms, model agendas and standard letters that may be needed when developing standards. More information on the documents needed at each stage can be found in the [Developing Standards](#) section.

Drafting standards

Learn how to write standards and submit your draft using our templates and models

1. アクセス方法

The screenshot shows the ISO website's 'IT tools for standards development' page. The main navigation bar includes 'Standards', 'All about ISO', 'Taking part', and 'Store'. A search bar is located on the right. Below the navigation, there are links for 'Who develops standards', 'Deliverables', 'Get involved', and 'Resources'. The breadcrumb trail is 'Home > Taking part > Resources > IT tools for standards development'. The page title is 'IT tools for standards development'. The main content area features the heading 'ISO Electronic Applications' and a list of applications including 'Event Notification', 'Electronic Balloting', 'Global Directory', 'ISOTC Server (eCommittees)', 'Meeting management', 'Project Portal', 'Submission Interface', and 'National Mirror Committees'. A red callout bubble points to the 'Access Electronic Applications' link in the list. To the right, there are sections for 'Help and Support', 'User guides', 'Need training?', and 'Need help with the electronic applications?'.

IT tools for standards development

We have a number of IT Tools that help support the standards development process.

ISO Electronic Applications

ISO's Electronic Applications can all be accessed under our central login portal login.iso.org

Electronic Applications include:

- Event Notification
- Electronic Balloting
- Global Directory
- ISOTC Server (eCommittees)
- Meeting management
- Project Portal
- Submission Interface
- National Mirror Committees

Access Electronic Applications

Help and Support

User guides

User guides are available for all ISO electronic applications. We suggest you bookmark this page in order to keep up to date on the content.

Need training?

ISO offers training to help with using its electronic applications. Read more about training services, including a list of courses and how to participate.

Need help with the electronic applications?

Contact the ISO International Helpdesk at helpdesk@iso.org for help with ISO's electronic applications.

4. eCommittees (ISOTCサーバ)

The screenshot shows the OpenText Content Server interface for the ISOTC 034 "Food products" committee. The interface includes a top navigation bar with "Enterprise", "Personal", "Tools", and "Admin" menus. A search bar is located at the top right. The main content area is divided into several sections:

- Navigation Menu:** A vertical sidebar on the left containing links such as "Committees", "Child Committees", "Committee Projects", "User Group", "ISO Applications", "My Committees", "My Tasks", "N-Document List", "Meetings", "Email to Secretary", "Mail Address", "Committee Lists", "Committee Task List", "N-Document Notification", "Notification Report", "Send documents to ISO/ICS", "Email to Members", and "Facilitator Controls".
- Library:** A table listing various document types and their counts, such as "00: Secretariat workspace" (5 items), "01: Public information" (4 items), "02: General committee documents" (21 items), "03: Meetings and documents" (48 items), "04: Projects" (36 items), "05: Drop-in box for members" (3 items), "06: Documents - Committee to ISO/ICS", "07: Documents - ISO/ICS to committee" (2 items), and "08: Balloting and commenting" (2 items).
- Ballots:** A table showing ballot information, including "Type" (CD), "Reference" (ISO/CD 5530-1.8), and "End" date (2012-03-08).
- Meetings:** A table with columns for "Title", "Date", "Country", "City", and "Status", currently showing "No active meetings".
- Structure:** A tree view showing the organizational structure of the committee, including "ISO/TC 034 'Food products'", "ISO/TC 034/AG 'Advisory group'", "ISO/TC 034/WG 11 'Joint CASCO - TIC 34 WG: Requirements for bodies providing audit and certification of food safety management systems'", "ISO/TC 034/SC 02 'Designs seeds of fruit and oilseed meals'", "ISO/TC 034/SC 03 'Fruit and vegetable products'", and "ISO/TC 034/SC 04 [Disbanded] 'Cereals and pulses'".
- Overview:** A section providing a summary of the committee's scope, including "Standardization in the field of human and animal foodstuffs as well as animal and vegetable propagation materials, in particular terminology, sampling, methods of test and analysis, product specifications and requirements for packaging, storage and transportation." and a list of "Excluded" products.

メンバーリストを閲覧するには ※GD登録とリンク。GD登録がない方は表示されない。

The screenshot shows the 'Member List' page for ISO/PC 294 'Guidance on unit pricing'. The interface includes a navigation menu on the left, a search bar at the top right, and a table of members. Red boxes and arrows highlight key features: 'Role (役割)' points to the 'Role' column, 'Appointed by (所属NSB; Member Body)' points to the 'Appointed by' column, and 'CSVでダウンロード可' points to the 'CSV' button. The 'Member List' label in the bottom left points to the 'Member List' item in the navigation menu.
